This could be your home—this year, next year or the year after that. Wildfire does not respect homes or even towns. This year carelessly started forest fires will destroy someone's home—it could be yours. They will burn millions of acres of our priceless forests. This loss cannot be replaced in our lifetime. A terrific price to pay for carelessness; yours, mine or anyone's. Yes, 9 out of every 10 forest fires are man caused, largely through carelessness, and thus are preventable. Let's prevent this tragedy and waste by being careful. This message sponsored by:

### Year's Report Of Intermediate Girl Scouts Troop 2

A total of 62 girls were registered this year in Grayling Lone Troop 2, with Mrs. Ernest Borchers, chairman, Mrs. John Cook and Mrs. Don Gonthro as Troop Committee members, sponsored by W.S.C.S. of M. M. Church. The troop was divided into three patrol groups, Patrol 1 and 2, Patrol 3, known as Senior Girl Scouts, under the leadership of Mrs. Ludeman and Mrs. James Wakeley, had a yearly report in last week's parade due to rain.

June 9th was our "Big Trip". Twenty-eight girls accompanied by Mrs. H. McEvers, Mrs. A. Carlson, Mrs. E. Kipp, Mrs. F. Bishaw, Mrs. Eli Beery, Mrs. D. Peterson and Mrs. Jack Church went to Mackinac Island. Mrs. Stanley was our friendly and capable school bus driver. Modes of transportation struck our fancy. Most girls were brought to the school by car and left the schoolhouse at 7:00 a. m. by school bus. We went to the Island by passenger ferry boat. Nearly all had a bicycle trip on the Island and all went on the carriage tour. We had our sack lunch on the Green Island. Blue visited the Mackinac Island Museum, had souvenir shopping time and a fine chicken dinner at Mackinac City. Arrived home at 10:30 p. m. all tired but happy.

A special summer program is planned for work on outdoor type badges. All girls interested, contact Mrs. McEvers (Phone 3872) or Mrs. Beery (Phone 3987). Plans for next year are already underway. We leaders are looking forward to a real Girl Scout year and hope every interested girl in town will join and work with us.

Mrs. Harry McEvers

The inspectors of election at any election or primary election in this State, in any Precinct, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote (as provided under Act 116, P. A. 1954).

Transfer of Registration: Application, Time

SEC. 506. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved thereto, and the address from which he was last registered, on-by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards and shall place the original registration card in proper precinct file. Such transfers shall not be made within the (30) days next preceding any election or primary election, (unless such 30th day shall fall on a Saturday, Sunday, or legal holiday in which event registration shall be accepted during the next working day), provided that no such transfer shall permit any person to vote in any Township, City or Village in which he had not resided (30) days next preceding any election or primary election.

Transfer of Registration On Election Day

SEC. 507. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election-day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The applicant for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

### THE BLIGHT THAT Failed!

His home is wrecked. Wind, fire,  
thieves, airplanes — all had a  
crack at it. What's he got to whistle  
about?

Well, he took no chances. He  
saw us about an Employers' Group  
Insurance Companies' HOME  
OWNERS POLICY B. We gave  
him thorough home protection for  
the house and contents in one  
simple policy. Before, he had to  
have 4 separate policies, so we  
gave him real money. And now he  
has no worries: he knows he's  
covered.

Want to learn his merry tune?  
See us for this brand new policy  
(Some states require \$50 Deduct-
